

HTTP5104 Midterm (V2) - Style Notes

Fonts

Two main fonts have been used:

- Arial (stack: Arial, Helvetica, sans-serif)
 - default font (16px)
- Georgia
 - headings and some special text (see JPG)

Use appropriate font stacks when declaring the above fonts. The font stack for Arial is provided. Use the appropriate font stack for Georgia.

Colours

The default font colour is white. You'll also need the following colours (note: all rounded corners have a 10px radius):

#443a3a

Header and footer background colour.

#504747

Content area background colour.

#8bffe8

Article heading, body links on rollover, comment data.

#e8e8e8

Menu links, article date and author, sidebar block background colour.

#00ffd3

Menu link on rollover, body link, about author background colour, comment border colour.

#ff0078

Recent Tutorials block heading and lines, sidebar links on rollover.

#8a00ff

Links block heading and lines, sidebar links.

#beadfd
